Webinar:
Community Partnership Evaluation for Injury Prevention
Presented by
Susan J. Snelling, PhD
Health Promotion Field Support Specialist, Evaluation
Public Health Ontario

Join us March 8th, 2012 at 10:30am for a 90-minute presentation.

A great deal of injury prevention work is done in partnership. This webinar will provide an opportunity to learn about some key concepts in partnership development and evaluation of community partnerships. Dr. Snelling will also explore some of the methods and tools that are available to support partnership evaluation. Examples will be provided from the injury prevention field to bring the material alive for injury prevention practitioners. There will be opportunity for questions and discussion during the webinar.

Susan Snelling is a Health Promotion Field Support Specialist at Public Health Ontario, specializing in Evaluation. She has been providing consulting and training on evaluation for 15 years, including 10 years in a local public health unit setting. Susan has a doctorate in psychology, and holds the Credentialed Evaluator designation from the Canadian Evaluation Society.

The webinar is free of charge and will be delivered online to all participants. There are a limited number of spaces available so please...
